EXECUTIVE COMMITTEE REPORT

STATEMENT OF EXECUTIVE COMMITTEE RESPONSIBILITIES

The members of the executive are required to prepare financial statements for each financial period that give a true and fair view of the state of affairs of the Association as at the end of the financial period and of the excess of income over expenditure for that period.

The executive committee confirms that suitable accounting policies have been used and applied consistently and that reasonable and prudent judgements and estimates have been made in the preparation of the financial statements for the year ended September 30, 2005. The executive committee also confirm that applicable accounting standards have been followed.

ENGLISH LADIES' GOLF ASSOCIATION

REPORT OF THE AUDITORS TO THE MEMBERS OF ENGLISH LADIES' GOLF ASSOCIATION

We have audited the financial statements on pages 5 to 16, which have been prepared under the historical cost convention and on the basis of the accounting policies set out on page 7.

This report is made solely to the members, as a body, in accordance with the Association's Rules and Regulations. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of executive committee members and auditors

The Executive Committee's responsibilities for preparing the financial statements in accordance with United Kingdom Accounting Standards are set out in the statement of Executive Committee responsibilities on page 2.

Our responsibility is to audit the financial statements in accordance with United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view.

Basis of opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the executive committee in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Association's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

ENGLISH LADIES' GOLF ASSOCIATION

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the Association as at September 30, 2005 and of its results for the period then ended.
